The heading for a resolution should be:
FORUM: name the forum
QUESTION OF: the issue or case study that the resolution deals with
SUBMITTER: the country that will be the main submitter
Notice also that:
1. the introductory word or phrase of each clause is underlined.
2. there is a line space between each clause. (Except sub. claueses)
3. each operative clause is numbered.
4. sub-clauses are lettered: a), b), c), etc. and sub-sub clauses numbered i), ii), ili), etc.
5. sub-clauses are single spaced together.
6. operative clauses and subclauses are indented (by using tab settings not the space bar!)
7. acronyms and abbreviations are written out in full the first time they are used in a resolution.
8. Each pre-ambulatory clause ends with a comma.
9. Each operative clause ends with a semi colon.
10. Sub-clauses do not end in a comma or a semi colon
The resolution ends in a period. The entire resolution is one sentence.
