MUN Lobbying Session

What to bring?
Your resolution or clauses on a computer file, ready to merge with other delegates or resolutions.

What to do?
- Seek to merge your resolutions and ideas with other delegates or groups. (Remember – you are seeking consensus – the more countries who are involved in your resolution the more likely that it will pass the committee)
- Check that your resolution is in appropriate format in order to pass the approval panel. See sample.
- Have at least 4 countries co-sign your resolution in order to be submitted to the approval panel.
- Co-signing means that you think the resolution is worthy of debate. It does not bind you to vote for it or speak for it.
- Submit and have your resolution passed by the approval panel.
- **Stay on policy** – You must represent your county's position. Don't merge with a country you do not have a common position with just because you are friends with the delegate.

All resolutions that will be debated during this debate session must pass through the approval panel during the lobbying session which ends at 5:00.

If you resolution is not approved by the approval panel by 5:00 then it will not be debated.

Chairs during lobbying
2 chairs will act as delegates and 2 will act as chairs. One will circulate in the room and one will man the entrance to the approval panel and act as a liaison between students and the approval panel.
