ESU MOTION FACT FILE

This House regrets the rise of reality TV

We should regret the rise of reality TV

Some background information

Reality TV has become very popular since 2000, with shows like Keeping up with the Kardashians and The Great British Bake-Off drawing in millions of viewers. More children watch reality TV now too. Do you think this increase in popularity is a good thing?

Starter questions

Do you enjoy watching reality TV shows? Why?

Do you think reality TV is educational? What sort of things might you learn from it?

Does it matter if reality TV is just entertainment?
